Dear Colleagues,

I am writing this memo to update you on our recent research regarding 3CX providers in Palestine. We have identified Premier Tech Company, located in Gaza, as the region's sole provider of 3CX services. As our current licenses and maintenance contract is due for renewal, we must continue our partnership with Premier Tech.

Given the limited availability of 3CX providers in Palestine, we must ensure the uninterrupted support and services that Premier Tech offers. Their expertise and commitment to excellence have played a crucial role in our operations thus far.

Considering this, I kindly request that you review and process the attached invoice for renewing our 3CX licenses and maintenance contract with Premier Tech Company. Your prompt attention to this matter is greatly appreciated, as it will help ensure a seamless renewal process.

.Thank you
