Subject:	3CX Renwal

National Office
Bethlehem
Tel.: +972 02 276 5671

Dear Colleagues,

I request that the 3CX phone system be renewed. The only one that provides the license is a Company located in Gaza (Premier Tech). Unfortunately, we could not reach them because of the war, and I had to connect with 3cx to learn how to make the payment online. They accepted it as they do it online because it is hard to communicate with the company and pay through it. I request to transfer to PALPAY and the amount as every year 1600usd,

What we get from the renewal, Upgrades: Security, Web Access anywhere, many benefits of the renewal, plus the Maintenance and support from the Company
And the cost share for 4 locations:

Safeguarding:400
National Office:400USD
Bethlehem Village: 400USD
Rafah Village: 400USD
FDC Office: 400USD

We would kindly ask you to pay the amount of 2000 USD.

.Thank you
